NIGHT TRAIN

A med student (Leelee Sobieski), a salesman (Steve Zahn) and a train conductor (Danny Glover) become unlikely allies when a passenger dies on their night train, leaving behind a fortune in diamonds. Deciding to dump the body and split the loot, the trio embarks on a gruesome mission. Disposing of the corpse, however, proves to be tricky, and the conspirators become increasingly fearful of one another in this Brian King-helmed action thriller.
